

# 3<sup>rd</sup> national farmers' markets conference

## 22-24 august 2009

# the 3<sup>rd</sup> national farmers' markets conference will be held on 22-24 august 2009 at glen erin, romsey, victoria (just 45 minutes from melbourne).

**The Conference** will be hosted by the Victorian Farmers' Markets Association and supported by Regional Development Victoria.

The program will address topics from everyday issues for stallholders and managers, how we tackle the next stage of our growth, and where farmers' markets sit in the bigger picture.

Our speakers celebrate a great depth of home grown experience and expertise measured up with a collection of international perspectives and shared global challenges. The two day conference will consist of inspirational presentations and practical workshops, plus the opportunity to explore a Melbourne and country Victorian farmers' market.

For anyone who is currently involved with or considering farmers' markets, this is an event that should not be missed. Take the opportunity to come together as a group and share your experiences with your fellow farmers' market and local food community.

If you would like to register your interest in the Conference, please contact the Victorian Farmers' Markets Association on 03 9416 2090 or email [office@vicfarmersmarkets.org.au](mailto:office@vicfarmersmarkets.org.au) and a program will be sent to you soon.
